I think Steve's Doors remasters are better than the Box set - - BUT, I think that Steve's versions "influenced" the mastering on the box set. The "tapes used", EQ and compression seem very similar - with the box set being a bit hotter on the volume, and only slightly more compressed.

Music – The Doors
The Doors are probably my all-time favorite band. This set has everything I could want in regards to their studio albums with Jim Morrison. A larger set including Full Circle, Other Voices, An American Prayer, and live material would have been even better, but this is still a fantastic collection.

The Doors' fourth studio album, 1969 ' s The Soft Parade, is arguably their most underrated.Having exhausted all the tunes from their early club days in Los Angeles, the group started from scratch and experimented with orchestration beyond their unorthodox trio of organ, guitar and drums.

Select tracks were previously released on the Doors' live album In Concert and as part of The Doors: Box Set. About a third of the material was previously unreleased. The concerts were held a few weeks before the band released their fifth studio album Morrison Hotel on February 9, 1970.

The basic eight-track was cut in December 1970 at The Doors ' workshop at 8512 Santa Monica Boulevard, but Morrison ' s haunting finale was overdubbed at the mix-down in Elektra ' s studio in January, after which Jim went off to play softball with his pals and never sang on a Doors song again. Released as a single in June 1971, it peaked at No ...

Founded by Harry Lim, a native of Indonesia, in 1972. He was previously the jazz producer for Keynote Records from 1943-1946. Lim recorded a number of top mainstream jazz artists for his label, though it folded after his death on July 27, 1990. The label was subsequently sold to George H. Buck of Collectors Record Club and some of these hard to...

This list counts down my 50 favorite songs from the Doors. The list only features songs from the six official studio albums released during Jim Morrison's lifetime. I didn't include any songs from the albums that Ray, Robby, and John made after Jim's passing. And there are no songs from "An American Prayer," nor any live tracks. Just songs from their six studio albums that were released ...
