Canon A530. Technology marches on, and today you can get a fantastic camera for $150 if you get the right one. The picture quality will be limited more by your skill as a photographer than by any limitation of the A530. The A530 has more pixels, more features, a better lens and uses less batteries than the A70 did.

Canon A530 - Ken Rockwell
An Introduction to Canon PowerShot A540 Manual It is such a perpetuation that a product, especially for the digital camera product, can ' t be separated from its manual. By using this manual, user will be able to understand about their product deeper. Therefore, operating and treating the camera better will be something possible.
