About Wheels on the Bus. "The Wheels on the Bus" is an American folk song written by Verna Hills (1898□1990) and published in 1939. It is a popular children's song in the United Kingdom, the United States, Australia, and Canada, and is often sung by children on bus trips to keep themselves amused. It has a very repetitive rhythm, making the song easy for many people to sing, in a manner similar to the song "99 Bottles of Beer".

The Wheels on the Bus is one of our favorite songs to sing during circle time. In fact, if we are having a challenging day (and sometimes that happens!), I will start singing this song and it resets the mood. We also love this song because of the familiar motions □ the horn, the wheels, the baby, the door □. I decided to create this The Wheels on the Bus printable to use as song sticks during circle time or music and movement.
