Engineering Tribology

Professor Stachowiak has published numerous papers and several books on Tribology. His comprehensive work Engineering Tribology describes modern understandings of friction, wear and lubrication. The ...

Professor Gwidon Stachowiak

Introduction to Tribology is an interdisciplinary course for the tribology in design and manufacturing. The course introduces the nature of engineering surfaces, basic phenomena of interacting ...

MECH_ENG 346: Introduction to Tribology

in Mechanical Engineering from the Birla Institute ... in a title of a nature paper in 1995 and green tribology in 2010. He is a very prolific author. He has authored 10 scientific books, 100+ book ...

Professor Bharat Bhushan

Fundamental Principles of Engineering Nanometrology In this book Professor Richard Leach, of the UKs National Physical Laboratory (NPL) makes a significant contribution to standardization in the ...

Tribology of Polymeric Nanocomposites - Friction and Wear of Bulk Materials and Coatings

Menezes is an associate professor in the Mechanical Engineering Department ... has peer reviewed multiple books, book chapters, grants, and master's and doctoral theses. He has also prepared technical ...
