Harley, Indian, Triumph, Guzzi, Ducati, BMW; so many famous motorcycle companies made their mark with twin-cylinder engines.

Engine Architecture: Twins

The engine? Don't touch it. "You won't recognize the innards," Lepore writes, "and you won't be able to fix them." My son Ben remembers our bus as "iconic, a great car." Great, yes, basic, as well.

The buzz about VW's Buzz triggers memories of its basic forerunner

Dies's aggressive EV transformation push, which left little room for compromise, rubbed VW insiders the wrong way as well. His plans for cutting jobs in order to change the company's workforce ...
