1996 Chrysler Concorde Used Car Book Values

I flew Concorde to New York twice in the early Noughties and loved the three-hour trips more than any other journeys before or since. Travel does not get better than sipping Krug while slicing ...

Concorde was noisy, cramped and expensive – here's what supersonic travel should look like this time

Concorde is an aircraft that captures the imagination and is instantly recognizable even to non-aviation fanatics. The first commercial passenger airline capable of supersonic speed, it was ...

Could A Preserved Concorde Ever Return To The Skies?

But for those who chose the profession for the pure thrill of flying, Concorde — with its incomparable precision and sensitivity — was the dream. Why drive a truck when you could have a sports ...

What is it really like to fly Concorde?

The final Concorde supersonic flights touched down in 2003. Since then, for almost two decades, travellers – regardless of their wealth – have been limited to subsonic aircraft. But could ...
