Airbus A319/320/321 Notes

Both the TBM and A320 are quite popular from previous flight sims, tutorials from them for the systems will be just the same. I know the Toliss A319 from Xplane was popular, systems in the 320 are the same, you can Google tutorials for it. I'm not sure any specific TBM tutorials but a google for Xplane TBM Tutorial will likely turn up some results.
