*Affair* is a very typical Amanda Quick historical novel. The male protagonist is growly and tries to be authoritarian, and the female protagonist is independent and often obtusely clueless. In this book, as in most other Amanda Quick books, I keep trying to

# Access Free *Affair Amanda Quick*

figure out what draws the two together. The mystery plot in this one was pretty good.

~~*Affair by Amanda Quick*~~  
Goodreads

Always enjoy Amanda Quick 's novels. Intelligent writing with
