H. H. H. Arnason's History of Modern Art is exactly what its title says - a sweeping summary of well over a century of people and events that created what is called "Modern Art." This is a vast subject to cover in a single volume, but Arnason manages to do it while including a generous selection of illustrations in both black and white and color.

**H- Harvard Arnason (Author of History of Modern Art)**

Modern art includes artistic work produced during the period extending roughly from the 1860s to the 1970s, and denotes the styles and philosophies of the art produced during that era. The term is usually associated with art in which the traditions of the past have been thrown aside in a spirit of experimentation. Modern artists experimented with new ways of seeing and with fresh ideas about ...
