There is no Space Invaders, Adventure, Defender, or Berzerk artwork and yet there are three separate posters of Centipede and Asteroids. Also, two of the most iconic pieces of game art, Yars Revenge and Warlords, are on opposite sides of the same sheet.

[Amazon.com: Art of Atari Poster Collection \(9781524103026 ...](#)

Art of Atari captures these memories perfectly, treating them respect, framing them, curating them. This book is a trove of information from the era, containing not just well-known stuff like the E.T. debacle (debunked, by the way in these pages), but going into interesting trivia even 80 ' s junkies like me only have a passing knowledge of.

The Art of Atari is the first official collection of such artwork. Sourced from private collections worldwide, this book spans over 40 years of the company's unique illustrations used in packaging,...

[Art Of Atari by Tim Lapetino - Books on Google Play](#)

Art of Atari is aesthetically striking in a number of ways. It ' s big, heavy, colorful, and exudes the feeling of a quality, professional product. The Deluxe Edition with its cartridge-emulating leather-bound cover and heavy-duty cardboard slipcase is artwork in itself, if you ask me.

[Atari I/O Reviews Art of Atari | Atari I/O](#)

Art of the Atari is a joy to read or simply kick back with to peruse its colorful pages. With quality hardback binding and high quality stock, this is an ideal coffee table book (just make sure nobody sets their drink on it). I cherish this book.
