This is book two of the Genesis Fleet Series. It is a prequel to the Lost Fleet Series. Campbell is a master storyteller. The book is well written and has the most interesting characters. The book contains lots of action and a great space battle. I have become a big fan of Campbell and cannot wait for his next book. The book is ten hours.

This new series, "Genesis Fleet" is set in the time before the "Lost Fleet", in other words, it is a prequel to the "Lost Fleet Series". War weary Earth refuses to be the policeman of the universe any more. Without a universal policeman to keep order, the pirates and two-bit plundering dictators are in full force.

~~Vanguard (The Genesis Fleet, #1) by Jack Campbell~~

Ascendant is the second book in a new series that is off to a great start. Campbell's past series were also enjoyable quality reads. If reading is your pass time and sci fi your guilty pleasure, you can't go wrong here. Take my advice and start with the "Lost Fleet" series first, it will make Ascendant even more enjoyable when you get here.

Last Updated: December 22, 2019 The Divergent Series: Ascendant was supposed to wrap up the sci-fi saga but was eventually abandoned, and here's why that cancellation occurred. Following the huge success of The Hunger Games franchise starring Jennifer Lawrence, there was a short-lived fad of movie adaptations of YA sci-fi novels. This included The Maze Runner trilogy and The Divergent Series...

The Lost Star Series formerly known as The Phoenix Stars is also part of The Lost Fleet Universe. Each book has a start and an ending, so you can stop after any of the books with a sense of closure. But each book but makes strong references to prior books and characters in the series, so reading them order is highly recommended.

~~The Lost Fleet Series by Jack Campbell – Goodreads~~

The Book of Genesis begins with two contradictory creation accounts (1:1-2:3 and 2:4-3:24). In the first, God created humans (male and female) after he finished making all of the other animals. In the second, God made one man ("Adam") and then created all of the animals in order to find a helpmeet for Adam.
