There really is no one answer. Spiritual awakenings can happen at any moment or period in your life. They can be spontaneous, but they can also be triggered by major life changes, illnesses, tragedies, and traumas such as life-threatening illnesses, car accidents, divorces, war, midlife crises, and much more.

"The Awakening of a Warrior: Past Lives of a Navy SEAL Remembered (Volume 1)" is an amazing book adding to a superb and growing collection written by modern day warrior Michael Jaco. Past Life Regressions are a very interesting subject.

*The Awakening of a Warrior: Past Lives of a Navy SEAL ...*

Edna is the protagonist of the novel, and the "awakening" to which the title refers is hers. The twenty-eight-year-old wife of a New Orleans businessman, Edna suddenly finds herself dissatisfied with her marriage and the limited, conservative lifestyle that it allows. She emerges from her semi-conscious state of devoted wife and mother to a state of total awareness, in which she discovers her own identity and acts on her desires for emotional and sexual satisfaction.

Cuba Awakening from the Past provides a visual tour as you explore Cuba with Michal McClure. His strong but lovely portrayal of the island nation and its people brings their story alive through colorful images of what Cuba looks like today. It also includes an interesting history about past and present connections between Cuba and Russia.

“For Someone Awakening To The Trauma of His or Her Past: For everything under the sun there is a time. This is the season of your awkward harvesting, When the pain takes you where you would rather not go, Through the white curtain of yesterdays to a place You had forgotten you knew from the inside out; And a time when that bitter tree was planted
