It's no secret: The manual transmission is a dying breed. While enthusiasts love to shift gears themselves, manufacturers are finding it harder and harder to justify keeping three-pedal options ...

BMW Will Keep the
Manual Around Until
2030

When someone thinks

of a manual gearbox,
they usually relate it to a
sports car of some sort.
That has not always
been the case; 90 years
ago everything came
with three pedals, even a
