Baseball as a Road to God is about the elements of our lives that lie beyond what can be captured in words alone—ineffable truths that we know by experience rather than by logic or analysis. Applying to the secular activity of baseball a form of inquiry usually reserved for the study of religion, Sexton reveals a surprising amount of common ground between the game and what we all recognize as religion: sacred places and time, faith and doubt, blessings and curses, and more.

John Sexton is the president and a professor at NYU. He teaches a class on baseball, its history, and its being a road to God--not the road, but a road to God. The book is interesting in that he looks at baseball and its liturgy and spiritual implications the same way James K.A. Smith does with football in his book, *Desiring the Kingdom*.

Baseball as a Road to God: Seeing Beyond the Game by John ...

BASEBALL AS A ROAD TO GOD is a feature documentary based on the wildly popular NYU course created by Dr. John Sexton and the New York Times best-selling book that it spawned. Despite what the title implies, this totally fresh and unique take on baseball and faith does not focus on any one religion, nor is it about actually finding God.

Baseball as a Road to God: Seeing Beyond the Game is a book written by John Sexton that discusses the game of baseball in the context of religion. The book is co-authored with Thomas Oliphant and Peter J. Schwartz; the foreword is written by Doris Kearns Goodwin. Sexton, a Catholic, grew up in New York City and as a young man was a Brooklyn Dodgers fan. A graduate of a Jesuit prep high school, Sexton holds an M.A. in comparative religion, and a Ph.D. in history of American religion from Fordham

One of the most rewarding aspects of John Sexton's Baseball as a Road to God is that while it is deeply theological, it fares away from being preachy and overtly evangelical. One of the most rewarding aspects of John Sexton's Baseball as a Road to God is that while it is deeply theological, it fares away from being preachy and overtly evangelical. It in fact, touches upon faith of all walks and more importantly, does not dismiss scientific reasoning.
