I actually thought this book would be about changing your words - it should rather be entitled "Change your Thoughts, Change Your World". But perhaps that was taken. Anyway, in a nutshell it says you should be proactively positive and say positive affirmations to yourself and that will change your energy and your universe.

The famous motivational psychologist Norman Vincent Peale often said, "Change your thoughts, and you change your world." Maybe it's time to update that advice: Change your words, and you ...

Change Your Words and Change Your World | Psychology Today

If you're wondering how to change your life in the easiest way possible, start with one word. Replace one word that will transform the way you experience something "negative." Shifting your emotional patterns is the key to shaping your decisions, actions and life. This is how you create a choice instead of a habitual reaction.

How to change your words, change your life - Tony Robbins

We use words every day to communicate, to express our feelings and thoughts, but we often forget how powerful they can be, and how important it is to choose them with care if we wish to attract love, happiness and success. With honesty and warmth, Andrea Gardner shares

Change Your Words | Daily Devo - Joyce Meyer Ministries

As I show in the table below, changing your words is a short-term fix that can lead to a long-term problem, as illustrated in the "But then ..." column. Schlimmbesserung. All this underscores an even bigger problem: Schlimmbeserung – the German word that means to make things worse while trying to make them better. Our efforts to help students develop a Growth Mindset can backfire, resulting in the development of a more Fixed Mindset.
