Cold Steel, the third book in Kate Elliott's Spirit Salker trilogy. After a solid first two books, my expectations were reasonably high. To say the book didn't live up to them would be a bit of an understatement.

Cold Steel (The Spiritwalker Trilogy Book 3) - Kindle ...

I finished Cold Steel by Kate Elliott the last book of her Spiritwalker trilogy after Cold Magic and Cold fire (tbp end June) and I am a little mixed - still loved the writing a lot as the first person narration of Cat continues to be superb but the content was a combination of way too much (over the top with heroine surviving and outsmarting or outright defeating almost everyone from humans to supernatural beings) action and nothing really new as pretty much everything in the book is stuff that

Cold Fire is the middle volume of Kate Elliott's Spiritwalker Trilogy, which picks up shortly after the events of Cold Magic. Like its forebear, this is a well-characterised novel which eschews the normal conventions both of the epic fantasy and steampunk genres (whilst borrowing from both).
