Definition of
Conception by
Merriam-Webster

Biologically,
conception is the
moment when a
sperm cell from a
male breaches the
ovum, or egg, from a
female. The process
is also known as
fertilization and is the
initial stage of

Compilateurs ...

The noun conception has two major meanings.

Conception can refer to the action of conceiving a child, which can either involve fertilization or implantation.

Conception can also refer to the capacity, function, or process of forming or
