Strategies For  
Teaching English

According to Audrey  
Gray, constructivist

teaching should be

characterized by the

following: the learners

are actively involved;

the environment is

democratic; the

activities are interactive

and student-centered;

the teacher facilitates a

process of learning in

which students are

Among the strategies for constructivist teaching, this strategy is very effective to promote students' logical thinking and a good way to check understanding. It consists of giving your student a series of things, whether statements or phrases in English or a foreign language studied, or images or symbols
