Conversations With My Son Mushim Patricia Ikeda traces her path as a parent through some of the humorous, poignant and penetrating conversations she's had over the years with her young son, Joshua.

## ~~Conversations With My Son—Lion's Roar~~

Conversations between Fathers and Sons is astonishing, surprising, amazing and astounding. I knew this one was a must-read, so I was ready to dive in and start reading. That said, I had an altogether more personal motive for wanting to read the entire book in one sitting. As a father of one son, I wish I had this blueprint years ago as a guide.

“My Son and the Afterlife by Elisa Medhus, MD is a book that will tug at your heart strings, make you laugh, cry, and more importantly, consider possibilities that you had probably never thought about before. This book, a record of the author's conversations with her recently deceased son, Erik, is as real, authentic, and straightforward as it gets. Dr. Medhus and her son Erik, are both in a state of flux struggling to make sense of new perspectives that were thrust upon them as a result ...

~~"A Conversation With My Black Son"~~

So, a conversation our son had with my wife about shark babies became a conversation about how human babies are made in 5 seconds. Having difficult conversations like these is not easy, but necessary. I realized at that very moment there may be a conversation or two that we need to have with our son very soon. Here are 15 conversations you must ...
