As Andrew Burleson was putting the finishing touches on his post here last week about Detroit's pending bankruptcy, I was on vacation pondering a powerful book by Charlie LeDuff that I had just finished called Detroit: An American Autopsy. For me, Detroit is both a fascinating and scary place. Fascinating because it is a glimpse into America's future and scary because the future is grim. I've long held that Detroit is not some one off place that we can discount but that it actually ...
