We came across Digger Dozer Dumper and thought it would be a fun book. Every page in this book is nicely illustrated and has a fun poem that describes the functionality of the vehicle that it references. A couple of months after owning this book he went and got it, sat down with it and, before we knew it, he chewed a piece of the corner off of it. In the year and a half that we've had Digger ...

*Digger Dozer Dumper is a book of poetry. It is a brand new book just published in 2013. Although it has not won any awards as of yet, I feel it certainly has the potential of winning. This book is intended for nursery years, primary years and could possibly stretch into the early intermediate years as well.*
