My current Dish
Network plan is not
HD. I have a 501D dvr
and a 311 receiver.

Acces PDF Dish Network 922

I'm about to move into my newly built house and would like to upgrade to HD. I'd also like to keep at least one of my current receivers so I can take it with me when I go RVing. I know I won't get the HD channels but can I in fact have a NON-HD receiver on and HD package?
