Tony Merry died in 2004, and this third edition has been updated, with a new chapter on recent developments, by Sheila Haugh, a long-time colleague who knew him and his work well. Learning and Being offers an in-depth exploration of all aspects of person-centred counselling, from its origins to current developments in theory and practice. It is written in clear and accessible language, with exercises and checklists to prompt the reader's own thinking and learning.

Pressing F5 now switches the view to third person view. When in third person view, the player is off center by one block to the left, giving an "over-the-shoulder" appearance. Because mobs looked at the camera and not the player's head, in third person view they looked at the wrong location. v1.0.17: The player is now centered when in third person view.
