'Duet in Beirut' is the author's first novel and the start into his post Israeli military career as an author. It involves a rather surprising mission (for a spy novel) and is largely happening (as suggested by the title) in Beirut.

[Amazon.com: Duet in Beirut: A Thriller \(9781468313000 ...](#)

Written in 2002 by a former Mossad agent and just recently translated into English, Duet in Beirut is surprisingly satisfying. The story starts with Israeli team leader Gadi travelling to Beirut in order to extract one of his long-time operatives who has gone rogue in order to complete an assassination the rogue agent initially bungled quite publicly the year before.

~~Duet in Beirut | Bookshare~~

*Duet in Beirut* is a riveting spy thriller as well as an incisive psychological novel that voices harsh truths about Israeli society, its media and the establishment. Mishka Ben-David, who held a senior post in the Mossad, provides both an enjoyable read and rare insight into the world of its operatives, their relationships, the men and women in their lives, the decision making process and covert operations that fire the imagination.
