The story Dust City by Robert Paul Weston is a great fantasy fiction story. The story is about the son of a big bad wolf who isn't so big and bad, Henry Whelp. His father is the real big bad wolf who murdered little red riding hood. Everyone assumes that it's in Henry's blood. He keeps it on the low on the outskirts of Dust City.

DUST CITY is not the type of story made for a series. It stands on its own and entertain a wide range of readers. Robert Paul Weston did a great job in inspiring his story from the Brothers Grimm tales. I'm glad he didn't expand too much on the fairytales, but simply limited himself to a few notable characteristics here and there.

In City of Dust, Anthony DePalma offers the first full accounting of one of the gravest environmental catastrophes in United States history. The destruction on 9/11 of two of the world's largest buildings unleashed a vortex of dust and ash that blotted out the sun and has distorted science, medicine and public policy ever since.
