Economics Evolving: A History of Economic Thought. By Agnar Sandmo, Princeton, NJ, Princeton University Press, 2011, 489 pp., \$45.00/ paperback. In *Economics Evolving*, Agnar Sandmo sets out to cover the history of economic thought from its 18th-century beginnings to the 1970s. His approach is to use both a "relativist" perspective, examining the work of individual economists in the context of their times, and an "absolutist" perspective, revisiting older theories through the ...
