Education and Theory: Strangers in Paradigms. Professor Judy Sebba, University of Sussex and member of 2008 RAE panel for Education "This is an exceptional book - and one that should be essential reading for anyone seriously thinking about educational practice - for two reasons. First, it is one of the few books on thinking about education which is written with the wit and humour which makes compulsive reading.

McGraw-Hill Canada | Education and Theory: Strangers in ...

The Stranger is an essay in sociology by Georg Simmel, originally written as an excursus to a chapter dealing with sociology of space, in his book Soziologie. In this essay, Simmel introduced the notion of "the stranger" as a unique sociological category. He differentiates the stranger both from the "outsider" who has no specific relation to a group and from the "wanderer" who comes ...
