~~Beyer~~) *Encountering The New
Testament A*

In "Encountering the New Testament", the chapters move sequentially, which reads like a standard text book. It wasn't bad, however I was hoping the format would have been then same as "Encountering the Old Testament" which is broken down like an outline, and contains a chapter summary before an entire section, (i.e. Pentateuch, History, Poetry and Wisdom, Major Prophets, Minor Prophets).

Survey

Testament is designed to be an introductory text for students coming to the study of the New Testament for the first time. It is an excellent resource for this purpose, and will likely find a wide acceptance on both sides of the Atlantic not only for its clear, concise summaries of the state-of-the-art in contemporary scholarship, but also for the attractive way in which it is presented, and its clearly articulated educational orientation. . . .

Encountering the New Testament: Quiz 1 Flashcards | Quizlet

1- It took place while those who had known Jesus were still alive and the information could be traced back to them, because either they said it or they wrote it down. 2- According to the best evidence available from the early years of the church three of the four gospels are directly linked to the apostles; the fourth, Luke, by his own testimony was dependent on eyewitnesses and those who had known Jesus from the beginning.

conservative perspective.
Each book receives specific
attention in the form of
synopsis, theology,
background, critical issues,
etc. Additionally, non-text-
specific issues are well
addressed such as various
critical studies and
"historical Jesus" studies.
