Engineering Economic Ysis With Cd

It is often said that the overall growth of an economy depends on how efficiently the stock market performs in its locative functions of capital. This is because when the stock market mobilises ...

NGX: Engineering Economic Development, Creating Wealth

But breastfeeding is rarely considered an economic issue and remains financially irrelevant. Keith Hansen from World Bank has once quoted "If breastfeeding did not already exist, someone who ...

Economics of Breastfeeding

Here are the key factors influencing the U.S. economic — and market — situation today. With the recent volatility in the markets and in the economy, this is a question many people seem to be ...

Is the Economy Going to Crash?

But the prevailing approach to containing inflation is also bad for ordinary people: higher interest rates depress economic activity and keep wages down. What is this strange bind we're in? In the ...

The Asset Economy Strikes Again

The second estimate of Q2 real GDP posted a 0.6% quarterly decline, slightly better than the first-reported 0.7% drop. New home sales fell 12.6% in July, reflecting the ongoing downshift in ...

Weekly economic & financial commentary

Here's a thought experiment. Imagine the economy is looking a bit end-of-cycle-y, unemployment close to as low as it has ever been, forecast growth low, interest rates being cut and stocks high.

Stocks Are Divorced From the Economy—but Won't Be Forever

But given the turbulent state of politics, there is little reason to be sanguine about the country's political and economic future. Confirmation that the Fund's executive board will meet next ...

Economic cost of uncertainty

While the economy is far from out of the woods, the swift hurtling towards a train wreck seems to have halted for the time being. With the news that the IMF will issue a letter of intent ...

The economy is perking up

There is some silver-lining for the economy. It is widely hoped that Pakistan has averted the pending crisis to default, and is gradually picking up. The staff-level agreement with the IMF ...

Economic hope-line

It's a fact of life, he explained, that the U.S. economy is behaving very strangely right now. But first, here are three new stories from The Atlantic. We learned last week that unemployment in ...

The Pinched-Hose Economy

U.S. data mixed after two quarters of negative growth Citi Economic Surprise Index is below zero But Goldman Sachs reports recent data has been better than expected Fed closely monitoring ahead of ...

An Economic Health Checkup

Just to be sure, Miftah Ismail, or those invested in the economic good health of Pakistan, have received IMF's principal undertaking for a cover of another year. So far, so good. Good enough ...

If indeed economy is it

Anyone can read what you share. By Peter Coy Opinion Writer I love this sentence in a recent book by Elizabeth Popp Berman: "For Republicans, economic reasoning remained a means to an end ...

Democrats Have Embraced Economics. Too Much?

Consumer spending drives more than two-thirds of GDP, offering important insight into the state of the economy and the likelihood of a recession. The theory was born during the 2001 recession ...
