ENT Secrets - 9780323298568

ENT Secrets has been a learning tool used by medical students, residents, and health care providers since the first edition, published in 1996 by Bruce Jafek and Anne Stark. Dr. Jafek went on to edit two subsequent editions with the goal of sharing knowledge and insight in the field of otolaryngology. Our newest edition aims to provide updates on that knowledge as well as introduce new concepts and technologies in the ever-changing field of otolaryngology.

Otolaryngology is a very specialised field with a broad curriculum. There are not many books available in the market that are able to succinctly highlight key concepts that are required at an exit exam level, especially for those who are not yet fully experienced in otolaryngology – ENT Secrets certainly stands out.

7 Secrets of the ENTP Personality Type. ENTPs are insightful, enthusiastic people with a huge capacity for knowledge, analysis, and personal growth. They are upbeat, “big idea” people who are always pursuing their next big thing. They have a love of debate and a direct nature that might be overwhelming for some people.

Dope, Zanki, Lightyear, and my CK deck related to ENT; I then added several hundred cards to that from medscape + ENT textbook (too lazy to look up name, it was something like "Basic ENT" ~450-500 pages). This is by no means definitive, but for those interested in ENT (not I) maybe you can use it as your base to build upon.
