Excuses Begone! by Dr. Wayne
W. Dyer was a phenomenal
book. The main focus of the
book is to motivate you and
help you break habitual
habits of excuse-making all
in order to, ultimately,
banish excuses from your
life. Dr. Dyer is a very
easy-to-follow writer. He
uses common words that you
can relate to while reading.

That being said, the premise is honorable. Ask yourself how you can serve others instead of asking "what's in it for me?" Only then can you live in love and receive the guidance of the divine. Our excuses come from operating from the limited space of the ego, and often times we have no indisputable evidence that our excuses hold any merit.
