Foundation, an organization focused on enhancing the scientific understanding of fire and its interaction with the natural and built environment, has awarded Professor Albert Simeoni with the Arthur B. ...

Albert Simeoni, Fire Protection Engineering Department Head, Receives Prestigious International Research Award.

Traditional mechanical systems – like fire sprinklers and watermist systems that use bulbs ... systems against slow growing fires and were also able to create a fire engineering model which can be ...

New research around sprinkler systems designed to help industry fight slow growing fires

The Fire Apparatus Manufacturers ' Association (FAMA) awarded its 2022 Phillip L. Turner Fire Protection Scholarship to University of New Haven student Andrew Tivadar.

FAMA Awards 2022 Phillip L. Turner Scholarship

In this report on the new rules for fire safety, Consumer Reports shows you how to protect yourself and your family at a time when house fires are more deadly than ever.

The New Rules for Fire Safety

as calculated by the fire protection engineer, to ensure sufficient outlet pressures at the most remote outlet as designated in NFPA 14. To ensure the proper function of the fire pump during a ...

Engine Essentials: Pump Room Overview

Jensen Hughes, the global leader in engineering, consulting and technology that make the world safe, secure and resilient, announced that it has acquired Code Unlimited, an award-winning, fast-growing ...

Code Unlimited Joins Jensen Hughes

Want to learn more on the fire safety equipment market growth? Request for a Sample now. The fire safety equipment market consists of sales of fire safety equipment by entities (organizations, sole ...

Global Fire Safety Equipment Market Size And Market Growth Opportunities

The names of 3 firefighters from San Bernardino County will be added to the Memorial Wall in Sacramento ' s historic Capitol Park.

Local firefighters to be added to Memorial Wall in Sacramento

"The biggest thing is we train our crews to be aware of anything that is colored orange," said Captain Jason Deneau of the Southfield Fire Department's Training Division. "The industry has seemed to ...

EVs force emergency responders into new training to avoid electrocutions, reigniting fires

Global Fire Protection System Market Research Forecast 2022-2028: To provide the Key Manufacturers, Production, Revenue, Market Share, SWOT Analysis, CAGR Analysis, and Future Development Plans in the ...

Global Fire Protection System Market Share Charges Ahead with Huge Growth by 2022-2028 | Release by Zion Market Research

The Spirit Lake Fire Protection District has a new chief. The fire district announced that Fire Chief Debbie Carpenter will replace retiring Chief John DeBernardi.

Carpenter new fire chief in Spirit Lake

We started writing about foam fire suppression events several years ago when we noticed trends relating to inadvertent activations of foam fire suppression systems that were affecting our clients.

Global Aerospace Provides an Industry Update on Aircraft and Hangar Operators Foam Fire Suppression Systems

Beaverton-based fire and building code consulting firm Code Unlimited has been acquired by a global engineering firm.

Consulting company Code Unlimited acquired by Baltimore engineering company

Bender & Modlin is an active member of the National Fire Protection Association, and supporter of the F.A.S.T. Apprenticeship Program and the National Institute for Certification in Engineering ...
