Editions of Games of Strategy by Avinash K. Dixit

So far in my academic life, Games of Strategy has been the only textbook that I have read cover to cover and actually enjoyed. This book is a lovely introduction to the world of game theory. It is one of those subjects that, once you've learned it, you can't look at the world the same way again.

Games of Strategy by Avinash K. Dixit - Goodreads

Games of Strategy, famous for its simple yet accurate exposition and its great examples and exercises, has been extensively revised for this Fourth Edition. The key to its broad success is that the authors assume no prior knowledge of game theory and present the material in the most accessible way possible.

Games of Strategy (Fourth Edition): 9780393124446 ...

Now available in a Second Edition, Games of Strategy remains the most accessible principles-level text for courses in game theory, addressing a remarkably broad range of concepts in a narrative that is both clear and compelling. Using resonant real-world examples, the authors simplify difficult theoretic ideas, helping students see the value of strategic thinking in a variety of situations.
