Gemini is not a book for everyone -- the subject matter is in many ways very controversial (and I am not speaking of the gay issue). However, Chris Owens handles it with his typical gifted flare. I rooted for the characters involved and my heart went out to them ONLY because of the emotionally charged way their story was presented.

Polyamorous Books - Goodreads

Chris Owen lives with her family on the east coast of Canada. A writer, reader, board game player, knitter, and dog lover, she explores themes of chosen family in her work, often inserting her own hobbies into the characters lives. A mother of two children who are rapidly reaching adulthood, she can frequently be found with a cup of coffee in one hand, staring dreamily at her yarn and pile of writing resources, dreaming of the day she can have a proper office with a door that closes.
