Gloria Keith Maillard

This was my first opportunity to read a novel by Keith Maillard, however it won't be my last experience! I thought that he did an excellent job as a male author to capture the protagonist's (Gloria) female spirit, insecurities, and, most importantly, her POV as a debutante on the edge of womanhood.

Gloria by Keith Maillard - Goodreads

Gloria is a college student in the 50's. Her parents are well to do; she lives in a lot of comfort, but is surprisingly brainy and resourceful. She has a difficult mother, a functional alcoholic, who is not ageing gracefully. She is extremely jealous of Gloria, and shows that at any opportunity.

'Gloria' is an intimate, sexy portrait drawn with the luminous precision one has come to expect of Keith Maillard. Brooding, powerful and lush, the deftly created characters in this book inhabit mental landscapes as hot and dark as their Raysburg summer nights.

Gloria by Keith Maillard: Summary and reviews

Gloria was short-listed for the Governor General's Award in 1999. It is out of print. Gloria liked the cool, shadowless north light in the guest room so much she was reluctant to dispel it. The only mirror was a tilting, full-length one; she wondered if she were the first girl who'd ever looked into it.

Keith Maillard (Author of Gloria)

The West Virginia-born Maillard (now a resident of Vancouver) wraps up a trilogy (Light in the Company of Women, 1994; Hazard Zones, 1996) with the kind of big, stubbornly old-fashioned narrative that was a publisher's bread-and-butter in the 1940s and '50s.
