The last VW Golf with a manual gearbox has been axed – leaving the smaller Polo as the last man(ual) standing with three pedals.

Volkswagen Golf manual axed – officially

Cool detail to cruise the beach. Four-wheelers have stickers on them saying wear protective gear and in the owners manual. Maybe the officers and their bosses should go take a riders safety course?

Sound Off for July 5: Use golf carts responsibly

An effort led by SNES Twitch streamer Peebs has created a complete online library of the console ' s English language manuals. In a project which has taken several years to complete, the content ...

SNES ' entire English manual library is now available online

These days, with technology streamlining so much of our modern lives, there are fewer individual skills that one needs to get by. For example, when was the last time you balanced your checkbook?

Ok, boomer: From balancing your checkbook to ironing your clothes, many vintage skills are becoming obsolete

All Golf GTI models feature front-wheel drive, and fans of the “ Save the Manuals ” movement will be happy to hear that a six-speed manual transmission is standard on the Golf GTI, with an ...
