A level 4 is now considered as a low C grade and a 5 a high C grade, or low B grade. Level 6 is a solid B, 7 an A grade and a level 8 an A*. The foundation papers for each subject are graded from 5-1 and the higher papers from 9-3. If on a higher paper a student falls below the grade boundary of a level 3, they will achieve a U which stands for unclassified. For students who are aiming for a ...

How to Grade Paper Money Grading Currency. Learning how to accurately grade currency is a skill that is learned over time after handling many notes. However, hopefully the information below will act as a crash course to understand the basics of what makes a note nicer than another. Currency is graded on a scale of 1-70, with 70 being absolute perfection and 1 being completely terrible. However ...
