The Iron 883 gets a good looking V-twin engine with a displacement of 883cc. The V-twin is air-cooled and brings along with it the classic Harley sound. The engine is mated to a five-speed manual transmission. The engine makes 49 hp and 54 lb-ft of torque. The Iron 883 opens the door to the Sportster line.

### 2020 Harley-Davidson Iron 883 [Specs & Info] | wBW

This performance guide is a good reference companion to the factory service manual. It takes you through a typical engine build and provides performance tips and suggestions. However, this book concentrates on earlier builds of the sportster and has very few references to the current rubbermounted Evolution motors.
