Holistic Midwifery : Care During  
Pregnancy Vol. 1 by Anne Frye  
There should be midwifery-led  
continuity of care and carer  
throughout the pathway of pregnancy,  
birth and the postnatal period, in both  
community and hospital settings. One  
midwife, or a small group of midwives,  
should care for each woman using  
their jointly created care plan to  
ensure continuity.

We can now offer Medicare rebates  
for midwifery care! We will bulk-bill  
all your pregnancy checkups and your  
postnatal in-home care so if you have  
a Medicare card, you won ' t need to  
pay anything for pregnancy and  
postnatal care. For labour and birth  
care the cost is \$3200.00, which  
there is no Medicare rebate available.  
Holistic Midwifery offers flexible  
payment plans.

Home • Midwifery Today

It now reads: ‘ The midwife is recognised as a responsible and accountable professional who works in partnership with women to give the necessary support, care and advice during pregnancy, labour and the postpartum period, to conduct births on the midwife ’ s own responsibility and to provide care for the newborn and the infant.

The role of the midwife: time for a

# File Type PDF Holistic Midwifery Care During Pregnancy Vol 1 Anne Frye review

Midwives care for women during pregnancy, childbirth and in early parenting years. Midwives educate women in healthy lifestyle choices, especially those that center around the profound processes and precious events in women ' s reproductive lives. These events are also seen as inherently important to society as a whole.
