Ices: The Definitive Guide by Liddell and Weir | Dream Scoops

I bought this book as part of my preparation to start making ice cream after a short trial many years ago. My first ice cream maker was a Philips, the one with the disk you put in the freezer, which made great ice cream but after many years without the time or the wish to make ice cream I wanted something else so while I did m research on the ice cream makers I bought three books, this one ...

Amazon.com: Customer reviews: Ices : The Definitive Guide

This guide contains a collection of over 200 ices, including classic French, Italian and American ices plus frozen desserts from the Middle East and Asia. Detailed instructions are given on making ices both with and without ice-cream machine. The recipes range from fast easy ices for the beginner to formulae for serious or professional cooks to enable them to create their own designer ices.
