Daedal grease type #1, Model # G1 (70/80 cSt @ 100 degrees C) is recommended for grease lubrication and ISO grade 32-100 for oil lubrication.

## *Installation, Operation, Maintenance and Repair Manual*

Read this manual carefully to learn how to safely install and operate your pump. Failure to do so could result in personal injury or damage to the pump. Because pump installations are seldom identical, this manual cannot possibly provide detailed instructions and precautions for every aspect of each specific application.

## *INSTALLATION, OPERATION, AND MAINTENANCE MANUAL*

Installation, operation & maintenance manuals. The manuals below include technical information to help with installing, commissioning, operating and servicing Hamworthy equipment. These manuals are the latest versions for Hamworthy commercial heating and hot water products. If you require an older version please contact the technical team on 01202 662500.

## *Installation, operation & maintenance manuals*

- Installation, Operation, and Maintenance manuals clearly identify accepted methods for disassembling units. These methods must be adhered to. Trapped liquid can rapidly expand and result in a violent explosion and injury.
