Liturgical theology, in investigating such questions, will take into account the revelation of Christ and the tradition of the Church, and then apply it to the idea being considered. In the previous example, the discipline would say that bread is required because it is what Christ intended to be used in the Eucharist, since it is what he used when he instituted it, and what he asked be done in ...

The Catholic religion is monotheistic, meaning that Catholics believe that there is only one supreme being, called God. The Catholic God has three aspects, known as the Trinity. The Supreme Being is the creator, called God or God the Father, who resides in heaven and watches over and guides everything on earth. He is known as the lord of heaven and earth, and referred to as almighty, eternal, immeasurable, incomprehensible, and infinite in understanding, will, and perfection.

But, what is a sacrament? And why do Catholics care so much about them? In this course, the student will discover the basics of sacramental theology in six units. In unit 1, students will be introduced to the definition of a sacrament drawn from The Catechism of the Catholic Church. Units 2 through 5 will examine each of the 7 sacraments, attentive to the various ways that they conform to the overarching definition from unit 1.

Introduction to Sacramental Theology | Online Courses

The seven sacraments are drawn from the love that Jesus has for all of us as shown in his life, passion, death, and resurrection. This love is shared with us by the Holy Spirit through human ceremonies instituted by Christ. These ceremonies offer union with God during seven significant life stages.

Catholic theology accepts this list as normative for faith and practice. Baptism, Confirmation and Holy Orders are said to leave an indelible mark upon the person and are non-repeatable Sacraments. The Seven Sacraments may be into three groups: 1.

The Sacraments — Introduction to Roman Catholicism

Register. Created by Rev. Joseph Weiss, S.J., a Theology Professor at Notre Dame, this course introduces participants to the Catholic understanding of the created world as sacramental. In so doing, it studies how Jesus Christ is the primordial sacrament of God, how the Church is the basic sacrament of Christ and how in the seven sacraments, as essential manifestations and realizations of its shared life in Christ, the Church fulfills its own divine destiny and that of all creation.

Theology and practice of sacraments in Christianity. Though the widespread conception of the sacramental principle is an ancient heritage, in all probability going back before the dawn of civilization, it acquired in Christianity a unique significance. There it became the fundamental system and institution for the perpetuation of the union of God and man in the person of Jesus Christ through the visible organization and constitution of the church, which was viewed as the mystical body of Christ.
