The End Becomes The

Jack Frost is a personification of frost, ice, snow, sleet, winter, and freezing cold. He is a variant of Old Man Winter who is held responsible for frosty weather, nipping the fingers and toes in such weather, coloring the foliage in autumn, and leaving fern-like patterns on cold windows in winter.

Jack Frost - Wikipedia

Before Jack Frost became an immortal being who possessed the power over ice and snow, Jack was once a teenage human boy who had a family of his own 300 years before the current timeline. Like his current form, Jack was mischievous, liked to have fun and play tricks on his friends and his younger sister.
