Jennifer Government is Here to Help! In Max Barry's twisted, hilarious vision of the near future, the world is run by giant American corporations (except for a few deluded holdouts like the French); taxes are illegal; employees take the last names of the companies they work for; The Police and The NRA are publicly-traded security firms; the U.S. government may only investigate crimes if they can bill a citizen directly.

Jennifer Government is a 2003 science fiction novel by Australian author Max Barry. Set in a dystopian alternate reality in which a United States-dominated global government is controlled by corporate entities, it focuses on the people working to maintain the capitalist system of the society.

Jennifer Government Summary | SuperSummary

Max Barry is an Australian, for which he apologizes. He is the author of the cult hit *Syrup*, although he spelled his name "Maxx" for that novel, "because it seemed like a funny joke about marketing, and I failed to realize everyone would assume I was a pretentious asshole." He was born on March 18, 1973, and lives in
