The flagship Yanmi Yogurt in Funan is a regular stop on my evening route home, but now, things are getting just a touch more convenient as Yanmi Yogurt has a new stall in the heart of Orchard Road. Located at basement one of Wisma Atria, this stall is a little different from Yanmi Yogurt at Funan in terms of style. Instead of pastel pinks and purples, this takeaway kiosk has slightly futuristic, industrial touches.

Have you considered or had a touch up Cardiac Ablation ? The AV node ablation is done to stabilise the heart rate and ease symptoms of people with atrial fibrillation that hasn't responded to medication or other interventions. It's generally considered as a last resort for correcting atrial fibrillation.

Bill Bryson, bestselling author of *A Short History of Nearly Everything*, takes us on a head-to-toe tour of the marvel that is the human body—with a new afterword for the Vintage paperback. Bill Bryson once again proves himself to be an incomparable companion as he guides us through the human body—how it functions, its remarkable ability to heal itself, and (unfortunately) the ways it can fail.

One of the results is more weight—the Aria frame is 1,100 grams compared to the 990-gram OltreXr4 frame. What the bikes do share is geometry. In disc-brake form, the numbers are admirably aggressive, with low head tubes, steep angles and 410mm chain stays on most sizes—just a touch longer than the rim-brake Aria.
