Leadership in the Shadows by Kyle Lamb -
Goodreads

By defining leadership as relational we are asserting a link between the areas of leadership that are evident in the 'light' and those that are cast in the shadow. We are also drawing attention to the contrasts, contradictions and parallels that inevitably occur in the interactions taking place between leader and team, and between the

The Leadership Shadow: What it Is and Why It Matters

An evolved leader who has learnt to work with his shadow would have taken the high road, as Soviet leader Mikhail Gorbachev did when he told US leader Ronald Reagan that he was depriving him of an enemy. This is what brought an end to the Cold War. Singapore too represents Malaysia's shadow.

Why leaders need to work with their shadows -
Thought Perfect
This rift is the essence of what we call the
leadership shadow. Leadership by nature
creates a split between a gesture and a
response, or between guidance and the ability
to follow through. One can study the internal
manifestation of this rift as well.
