Told entirely in emails from a first time teacher in an inner city Texas school to a friend and ex-coworker, "Learn Me Good" is wickedly entertaining and clever. It's not just the stories he tells but the way he tells them that make this book so funny. Be prepared to laugh out loud. Since it is told in a series of emails of varying

~~Learn Me Good – Kindle edition by Pearson, John –~~

His first book, Learn Me Good, was born of the baptism-by-fire nature of Pearson's first year as a teacher. His second, Learn Me Gooder (a sequel, can you tell?) practically wrote itself after 7 years of teaching third grade. His latest is a foray into the world of Fantasy Football. I Coulda Caught That Pass!

A few years ago, I picked up John Pearson's book, Learn Me Good, during a rather difficult year of teaching. His fictional book about a teacher (Jack Woodson) writing to a friend about all the craziness of teaching elementary school was a helpful reminder that some years are like that, and there is a way through it: finding your sense of humor.

~~Learn Me Gooder by John Pearson – Goodreads~~

Learn me good. [John Pearson] -- Jack Woodson was a thermal design engineer for four years until he was laid off from his job. Now, as a teacher (dealing with forty children), he faces new challenges.
