If you have an interest in these or other Smith & Wesson guns, I highly recommend buying the Standard Catalog of Smith & Wesson. This extremely well-researched book is in its fourth edition and has a lot of great information about the guns (and other gear) S&W made throughout the years. There is even a special section of the NY-1 revolvers.

When I moved to NYC in '93, a friend got me an older edition of this and it was worn to pieces 5 years later when I moved away. I get this for all friends who move there. I'm sure there are other books that serve the same purpose but I'm a big fan of the Lets Go series for all my travels (save for Peru where it is inferior to the Lonely Planet ...
