Longing itself is Divine. Longing for worldly things makes you inert. Longing for infinity fills you with life. When longing dies, inertia sets in. But longing also brings a sense of pain. To avoid the pain, you try to push away the longing. The skill is to bear the pain of longing and move on. Do not try to find a shortcut to overcome longing.

In this time of religious division, it's our longing for union with god or the spirit that unites us. This feeling for the divine, this yearning for more than the material world, is deeper than religious beliefs and creeds, which often lead to self-righteous fundamentalism, hatred, and war. Instead, our holy longing can turn us...

[January 12, 2014] The Christmas season ended last Sunday and Epiphany began the following day. The first Sunday of Epiphany is when we remember the baptism of Jesus. Jesus' life is marked by some key events: his conception and birth, his baptism, his transfiguration, and his death, resurrection and ascension.
