Dawn Metcalf

LUMINOUS is ambitious, and beautifully written, but at times it was a confusing and emotionally distant read for me. Dawn Metcalf's writing is astounding, an awe-inspiring

combination
between the
rhythmic
hypnotism of
freestyle poetry
and
deliciousness of
rich and unusual
prose.

My name is Dawn Metcalf and I write dark, quirky and sometimes humorous speculative fiction. My debut novel, LUMINOUS, is a YA paranormal fantasy about a Latina-American superheroine who

About Dawn

Metcalf Dawn

Metcalf has no good excuse for the way she writes. She lived in a normal, loving, suburban home, studied hard, went to college, went to graduate school, got married, had

babies, and
settled down in
northern
Connecticut.
